Training details:

Mrs. Nandhini Oja
English Trainer

Resource Person: Mrs. Nandhini Oja

DAY-1(18-04-2022)

ARTICLES

The English Training began the training program by introduction the verbal ability and impotence of verbal and articles in English grammar. He explained the concept of articles along with their usage in different content. Identify the articles in sentences, relevant examples of definite and indefinite and clarified any doubts the students had.

DAY-2(19-04-2022)

VERBS

In this session, the trainer started by explaining the basic definition of verb and their role in sentences structure. They covered different verb forms, including regular and irregular verbs, as well as various tenses such as present, past and future. The trainer used interactive exercise and encouraged students to practice forming sentences using different verb tenses.

DAY-3(20-04-2022)

TENSES

Tenses were revisited on the third session, with a focus on further exploring the nuances and usages of different verb tenses. The trainer explained the concept of perfect tenses, continuous tenses and their various forms. He explained with examples and encouraged students to engage in conversations using different tenses. The trainer also addressed common mistakes made while using specific tenses and provided strategies to overcome them.

DAY-4(21-04-2022)

SENTENCE FORMATION

Sentences formation was the main topic of discussion on the fourth session. The trainer guided the students through the process of constructing grammatically correct sentences. They explained the importance of subject verb agreement, word order and punctuation. The trainer provided clear explanations and demonstrated sentences formation using different examples. The trainer conducted group activities where students had to create sentences collaboratively, encouraging them to apply the concepts they had learned.

DAY-5(22-04-2022)

READING COMPREHENSION

In this section, the trainer started by explaining Reading comprehension, introduced various strategies for effectively understanding and analysing written passages. The trainer explained the importance of skimming and scanning techniques, identifying main ideas, and recognizing supporting details.

DAY-6(23-04-2022)

READING COMPREHENSION

The sixth session, the trainer extended the pervious class and provided students with practice passages and guided them through the process of comprehending the text and answering questions. They emphasized the need for active reading and encouraged students to read regularly to improve their comprehension skills.

Training details:

Mrs. N.S. Divya

English Trainer

Resource Person: Mrs. N.S. Divya

DAY-1(18-04-2022)

ARTICLES

The English Training began the training program by introduction the verbal ability and impotence of verbal and articles in English grammar. He explained the concept of articles along with their usage in different content. Identify the articles in sentences, relevant examples of definite and indefinite and clarified any doubts the students had.

DAY-2(19-04-2022)

VERBS

In this session, the trainer started by explaining the basic definition of verb and their role in sentences structure. They covered different verb forms, including regular and irregular verbs, as well as various tenses such as present, past and future. The trainer used interactive exercise and encouraged students to practice forming sentences using different verb tenses.

DAY-3(20-04-2022)

TENSES

Tenses were revisited on the third session, with a focus on further exploring the nuances and usages of different verb tenses. The trainer explained the concept of perfect tenses, continuous tenses and their various forms. He explained with examples and encouraged students to engage in conversations using different tenses. The trainer also addressed common mistakes made while using specific tenses and provided strategies to overcome them.

DAY-4(21-04-2022)

SENTENCE FORMATION

Sentences formation was the main topic of discussion on the fourth session. The trainer guided the students through the process of constructing grammatically correct sentences. They explained the importance of subject verb agreement, word order and punctuation. The trainer provided clear explanations and demonstrated sentences formation using different examples. The trainer conducted group activities where students had to create sentences collaboratively, encouraging them to apply the concepts they had learned.

DAY-5(22-04-2022)

READING COMPREHENSION

In this section, the trainer started by explaining Reading comprehension, introduced various strategies for effectively understanding and analysing written passages. The trainer explained the importance of skimming and scanning techniques, identifying main ideas, and recognizing supporting details.

DAY-6(23-04-2022)

READING COMPREHENSION

The sixth session, the trainer extended the previous class and provided students with practice passages and guided them through the process of comprehending the text and answering questions. They emphasized the need for active reading and encouraged students to read regularly to improve their comprehension skills.

DAY-1(05-07-2021)

ARTICLES

The English Training began the training program by introduction the verbal ability and impotence of verbal and articles in English grammar. He explained the concept of articles along with their usage in different content. Identify the articles in sentences, relevant examples of definite and indefinite and clarified any doubts the students had.

DAY-2(06-07-2021)

VERBS

In this session, the trainer started by explaining the basic definition of verb and their role in sentences structure. They covered different verb forms, including regular and irregular verbs, as well as various tenses such as present, past and future. The trainer used interactive exercise and encouraged students to practice forming sentences using different verb tenses.

DAY-3(07-07-2021)

TENSES

Tenses were revisited on the third session, with a focus on further exploring the nuances and usages of different verb tenses. The trainer explained the concept of perfect tenses, continuous tenses and their various forms. He explained with examples and encouraged students to engage in conversations using different tenses. The trainer also addressed common mistakes made while using specific tenses and provided strategies to overcome them.

DAY-4(08-07-2021)

SENTENCE FORMATION

Sentences formation was the main topic of discussion on the fourth session. The trainer guided the students through the process of constructing grammatically correct sentences. They explained the importance of subject verb agreement, word order and punctuation. The trainer provided clear explanations and demonstrated sentences formation using different examples. The trainer conducted group activities where students had to create sentences collaboratively, encouraging them to apply the concepts they had learned.

DAY-5(09-07-2021)

READING COMPREHENSION

In this section, the trainer started by explaining Reading comprehension, introduced various strategies for effectively understanding and analysing written passages. The trainer explained the importance of skimming and scanning techniques, identifying main ideas, and recognizing supporting details.

DAY-6(10-07-2021)

READING COMPREHENSION

The sixth session, the trainer extended the pervious class and provided students with practice passages and guided them through the process of comprehending the text and answering questions. They emphasized the need for active reading and encouraged students to read regularly to improve their comprehension skills.

A Programme on “**VERBAL: Articles, Verbs, Tenses, Sentence formation, Reading comprehension**” by Training & Placement Cell during 28-10-2019 to 01-11-2019 (FN). A total of 170 students have attended for this programme.

Major topics are:

- Articles
- Verbs
- Tenses
- Sentence formation
- Reading comprehension

Training details:

Mr.N. Ramgopal

English Trainer

Resource Person: Mr.N. Ramgopal

DAY-1(28-10-2019)

ARTICLES

The English Training began the training program by introduction the verbal ability and impotence of verbal and articles in English grammar. He explained the concept of articles along with their usage in different content. Identify the articles in sentences, relevant examples of definite and indefinite and clarified any doubts the students had.

DAY-2(29-10-2019)

VERBS

In this session, the trainer started by explaining the basic definition of verb and their role in sentences structure. They covered different verb forms, including regular and irregular verbs, as well as various tenses such as present, past and future. The trainer used interactive exercise and encouraged students to practice forming sentences using different verb tenses.

DAY-3(30-10-2019)

TENSES

Tenses were revisited on the third session, with a focus on further exploring the nuances and usages of different verb tenses. The trainer explained the concept of perfect tenses, continuous tenses and their various forms. He explained with examples and encouraged students to engage in conversations using different tenses. The trainer also addressed common mistakes made while using specific tenses and provided strategies to overcome them.

DAY-4(31-10-2019)

SENTENCE FORMATION

Sentences formation was the main topic of discussion on the fourth session. The trainer guided the students through the process of constructing grammatically correct sentences. They explained the importance of subject verb agreement, word order and punctuation. The trainer provided clear explanations and demonstrated sentences formation using different examples. The trainer conducted group activities where students had to create sentences collaboratively, encouraging them to apply the concepts they had learned.

DAY-5(01-11-2019)

READING COMPREHENSION

In this section, the trainer started by explaining Reading comprehension, introduced various strategies for effectively understanding and analysing written passages. The trainer explained the importance of skimming and scanning techniques, identifying main ideas, and recognizing supporting details. The trainer extended the previous class and provided students with practice passages and guided them through the process of comprehending the text and answering questions. They emphasized the need for active reading and encouraged students to read regularly to improve their comprehension skills.
