ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND SOME BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- ± Basic Salary
- ± Monthly Allowances
- ± Retirals & Insurances Benefit

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR. 50,000/- spread over 12 months.
- **Bright Hour Allowance (BHA):** BHA is a non-recoverable monthly earning opportunity payable against a declaration by the employee for his/her availability in the Bright Hours and consent to move to any other OMC at any given time working during Bright Hours.
- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR. 21,000/- (excluding variable component) as per the Payment of Bonus Act.
- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- ↓ Basic Salary
- ↓ Monthly Allowances
- ↓ Variable Pay
- ↓ Retirals & Insurances Benefit

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non- alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. - **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.
- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB): Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND SOME BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- ✦ Basic Salary
- ✦ Monthly Allowances
- ✦ Retirals & Insurances Benefit

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR. 50,000/- spread over 12 months.
- **Bright Hour Allowance (BHA):** BHA is a non-recoverable monthly earning opportunity payable against a declaration by the employee for his/her availability in the Bright Hours and consent to move to any other OMC at any given time working during Bright Hours.
- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR. 21,000/- (excluding variable component) as per the Payment of Bonus Act.
- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

VARIABLE PAY

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Advance Monthly Performance Bonus (AMPB): A part of variable pay is paid monthly as Advance Monthly Performance Bonus (AMPB) along with other monthly emoluments. The payout against this amount, will be governed by the Global Bonus policy, as amended from time to time.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

RETIRALS & INSURANCES BENEFIT

You and your dependants will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards various insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.

- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
 - The premium payable depends on the dependants declared.
 - The hospitalization coverage limit will be same as defined in compensation structure.
 - Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
 - You may refer 'Medical Insurance policy' for further details.
- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

*The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.

*The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days' Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 20.00 lakhs.
- **Term Life Insurance (including EDLI):** At HCL, you will be covered under the Term-life Insurance which provides safety net to family in case of death of the employee due to any reasons. The applicable amount is mentioned in your offer letter.
- **Disability Insurance:** You are also covered against any permanent or partial disability that may arise due to an accident. The amount payable by Insurer for a disability shall depend on nature of the disability. The amount mentioned in your offer letter is the maximum amount paid by Insurer as per the nature of a disability. You may refer 'Personal Accident Insurance' policy for further details.

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- ↓ Basic Salary
- ↓ Monthly Allowances
- ↓ Variable Pay
- ↓ Retirals & Insurances Benefit

↓ Disclaimer:

↓ *Your individual compensation structure may not necessarily have all the components as applicable to the respective Band.*

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.
- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.
- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.
- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.
- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- VARIABLE PAY

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group

RETIRALS & INSURANCES BENEFIT

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards various insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows

- The policy covers Hospitalization expenses and Maternity expenses.
 - By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
 - The premium payable depends on the dependants declared.
 - The hospitalization coverage limit will be same as defined in compensation structure.
 - Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
 - You may refer 'Medical Insurance policy' for further details.
- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948.**

Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

*The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

Mindtree

A Larsen & Toubro Group Company

Without limiting its discretion to address problematic relationships or situations, Mindtree offers the following guidelines:

During working time and in working areas, employees must keep personal exchanges limited so that others are not distracted or offended, and so that productivity is maintained. During nonworking time, such as lunches, breaks and before and after work periods, employees may have appropriate personal conversations in non-work areas as long as their conversations and behaviors could not be perceived as offensive or uncomfortable to a reasonable person. Employees are strictly prohibited from engaging in conduct that would be deemed inappropriate by a reasonable person while on company premises, regardless of whether they are working at the time.

Mindtree generally considers employee off-duty conduct as private, as long as the conduct does not create problems within the workplace. Exceptions to this principle, however, involve 1) romantic or sexual relationships between supervisors and subordinates (regardless of the reporting structure) or 2) romantic or sexual relationships between any employee in the People Function or Finance departments and any other employee. Both employees involved in a relationship in either of these categories must immediately disclose to Mindtree the existence of a romantic or sexual relationship. Such required disclosure must be made in writing to People Function. People Function will provide an appropriate form upon request. Failure to make this disclosure may result in disciplinary action up to and including termination of employment. This disclosure will enable Mindtree to determine whether, given the relative positions of the individuals involved, action should be taken.

If Mindtree determines that action must be taken, it may ask one or both of the employees to transfer to another position, location, or project. If a transfer proposed by Mindtree is refused, or if Mindtree determines that the situation cannot be adequately addressed by transfer (or if Mindtree determines that transfer otherwise would not be in the best interests of Mindtree), Mindtree may terminate the employment of one or both employees. Mindtree has the sole discretion to determine whether a problem exists and how to address it. Accordingly, Mindtree is not limited to transfer and discipline/termination as its only options.

9) Personal Behavior

Mindtree expects all Mindtree Minds to be honest and fair in dealing with people, customers, vendors, competitors or others because you are the brand ambassador of Mindtree and your actions help to form others' impressions about Mindtree.

10) Breach of Discipline

As discussed above, Mindtree expects all Mindtree Minds to behave in a professional manner. Listed below are categories of inappropriate conduct that may lead to disciplinary action, up to and including termination of employment from Mindtree (This list is just illustrative and not exhaustive).

"Theft, fraud, forgery, embezzlement, misappropriation; dishonesty, harassment, indecent behavior, sexual advances, suggestive remarks, racial slurs, derogatory remarks/discrimination on - disability, veteran status, national origin, sexual orientation, race, color, religion, political affiliation, sex, or age. The list also includes forwarding/ viewing pornographic material at work or on work computers or other devices, willful insubordination, disobedience, absence without leave, habitually irregular attendance, neglect of work, willful damage of company property, disclosing/divulging trade secrets/confidential information/special processes/methodologies, unfair dealing with parties, false representation/misrepresentation, false recording/reporting of information, drunkenness, riotous behavior, commission of certain criminal offense(s), aiding or abetting any act listed herein, willful breach of law/rule / policy / guideline/procedure, working under the influence of alcohol or illegal drugs, creating/encouraging an offensive work environment, etc."

LETTER OF RECOMMENDATION

A fair thinking and a level headed person and how I depict Ms. Kavanuru Deepika. This quality got to be apparent amid my interaction with her, handling her "Microprocessors and Microcontrollers". My association with her, spread over four years, has allowed me to watch her closely and judge her capabilities. Aside from being technically solid, Deepika has demonstrated an affinity for extorting and envisioning practical difficulties and this, as such, makes a potential research student.

Her ability to organize the time efficiently and her meticulous preparation will be an asset to the research team. Her self-confidence and optimistic approach to solve even the most difficult problem are worth mentioning. Her systematic and focused approach always earned her a good academic performance.

Deepika has always challenged himself academically. She is an active participant in the class room discussions and grasps material quickly. I am certain that She, as a student with extraordinary energy for higher scholarly interests and inclination for research, will progress nicely. I have a strong opinion that she has the right inclination to excel in his proposed program and, hence, strongly recommend him for admission to your university.
