## Annual Day Celebrations Report (SAMMELAN-2023)

The one day of the year when students, teachers, and parents all come together again to witness the seven vivid colors of human emotion. Our college organized its annual day programme on 21-04-2023, in MAHATHI AUDITORIUM. Our Chairman was the special guest. The event was open to both students and their parents. Our college entire faculty and administration, as well as the student organizing committee, decked out the entire campus with flowers and lights. The event was officially opened when the chief guest lit the lamp.

The lamp was also lit by our chairman and principal, the programme began with prayer. The event was hosted by final year students. Their efficiency during the event was outstanding. First and probably most important, the students presented a delightful programme for the chief guest, who was commended by our principal. Following that, students of various classes took part in and performed different activities such as singing and dancing, poetry recitation, singing, mime, and stand-up live acts. Just after the performances, the winners and top scorers in each class received medals and prizes.

Once the prize distribution ceremony was over, a group of senior students were invited to come on stage and present a skit in front of the audience. The skit presented by them was very funny and engaging. The audience was thoroughly entertained by the skit. The host then invited the Chairman and Principal to the stage, where he delivered a speech in which he thanked the audience and our special guest for their support of the college. He told us about his struggles to make the college the best and the event was successful in inculcating a positive spirit among the students.
