FREESHIP POLICY

Siddhartha Educational Academy Group of Institutions is committed to providing access to a quality Engineering and Management education for deserving students, regardless of their financial background. This freeship policy outlines the criteria and procedures for awarding full or partial tuition waivers to eligible students enrolled in our engineering programs.

Eligibility Criteria

Students must meet the following criteria to be considered for a freeship:

- **Academic Merit:** Demonstrate exceptional academic achievement in their previous qualifying examinations (e.g., minimum percentage score in 10th and 12th grade or entrance exams).
- **Financial Need:** Come from a family with demonstrably limited financial resources. Documents such as income certificates or ration cards may be required.

Types of Freeships

- **Merit-based Freeship:** Awarded to students with outstanding academic performance. The percentage of fee covered can vary based on the college's discretion and the student's academic merit.
- **Need-based Freeship:** Awarded to students from economically disadvantaged backgrounds. The percentage of fee covered will depend on the severity of the financial need.

Application Process

- Students interested in applying for a freeship, should submit a formal application form along with supporting documents during the designated application period (as specified by the college).
- Supporting documents may include:
 - Academic transcripts
 - Income certificates
 - Ration cards (if applicable)
 - Entrance exam scorecard (if applicable)
 - Any other documents requested by the college

Selection Process

- A dedicated committee will review all applications based on the established criteria.
- The committee may conduct interviews with shortlisted candidates to assess their financial need and academic potential.
- The College Management, with the Principal's recommendation, will make the final selection for freeships.
